Hi Clarke,

I do not know of any other SDWA enforcement actions related to PFOA other than the R3/R5 DuPont 1431 Orders in 2002, 2006, and 2009. The Region 1 SDWA-PWSS Enforcement contact is Ken Rota.

Best wishes,  
Heather

Hi – I'm including Heather Shoven and Tom Poy (as well as others) on this email, to provide information on R5 SDWA actions on PFOA. I'm also copying my BCs for RCRA and SF about non-SDWA actions related to PFOA in R5. Please see the request below from OECA's Communications office. Thanks-Jacquie

**Subject:** Urgent request for information re: PFOA - SDWA 1431 Actions? Other Actions?

**Importance:** High

Hello all,

I received a request from our OECA's Communications office to provide information on all actions EPA has taken to date regarding PFOA. Apparently, the reporter has a tight turn-around, so if you all can let me know what you know as soon as possible, it is greatly appreciated.

I know that EPA has the following SDWA 1431s, but maybe you all can fill in the blanks and let me know if you know of any other actions?

Please provide a better name for these cases as I typically just know the shorthand name.

Active SDWA 1431 Orders:

- Region 3/5 – DuPont – Washington Works
- Region 3 – Federal Facility – Navy and/or Air Force
- Region 1 – Federal Facility (Does anyone have more information on this Order? Maybe a contact in Region 1?)

Are there other SDWA 1431 Orders?

Are there other actions not using SDWA 1431?

Thanks,  
Clarke
